## WELCOME TO THE 2026 GOLF SEASON!

We are delighted to welcome back Mike Roeder, our PGA Class A Pro, whose leadership and communication keep our members well-informed and engaged throughout the season.

We're also grateful for our returning, hard-working and valued team:

Hollie Kroening - Food and Beverage Manager, Jerry Hart - Chef, Dan Hartford - Superintendent, Fred Ferguson - Mechanic, Mary Ferguson - Housekeeping, and Tom Forsyth - Irrigation. Their dedication plays a vital role in making our club such a special place.

A warm welcome to our new members and gardeners - we're so glad you've joined us. We also extend our sincere thanks to our retiring Garden Caretakers for their many years of dedicated service to the beauty of our club.

New improvements to the grounds this year will include extending irrigation to our forward tees and creating new space in our maintenance barn for equipment repairs.

Here's to a wonderful season ahead!
